

**SERIOUS  
ABOUT RECORDING  
YOUR MUSIC?**

## SO ARE WE...

No matter what your project is, Osceola Music Inc. (formerly Osceola Recording Studios) has the **facility, equipment, and expertise** to work within your budget and produce the **highest quality, industry-standard recordings**.

Osceola has hosted such artists as: **Velvet Revolver, Lynyrd Skynyrd, Clay Aiken, 9th Wonder, Blues Traveler, Obie Trice, Gnarls Barkley, Jason Michael Carol, Cash Money** and many others.

Our Engineers/Producers, Dick Hodgin and Ian Schreier, have discography credits that include **Hootie and The Blowfish, Cravin' Melon, Corrosion Of Conformity, Confessor, Flat Duo Jets, The Accelerators, Clay Aiken, Donna The Buffalo, 9th Wonder, Little Brother, Black Jeruz, Morrison Poe / Nile Rodger, Roomful of Blues, The Never, Gnarls Barkley, Jason Michael Carol** and many others.

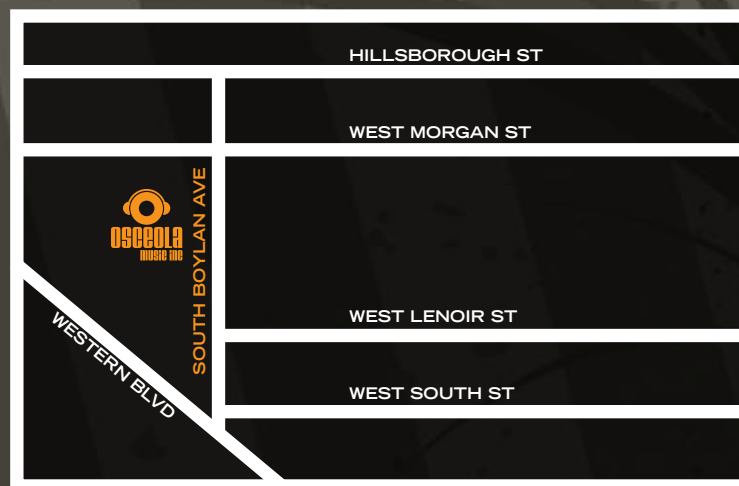

**Our priority** is to develop a comfortable working relationship with you so that your **sessions run smoothly and productively**, creating a balance between artist and studio professional that is apparent in every project.

Osceola Music Inc. offers a large collection of **state-of-the-art and vintage equipment**. Premier gear is blended together to help you achieve the best possible sounds and **capture every nuance of your music**.

## CALL ON US...

Whether you have a project to track, mix, edit or master, **Osceola has a solution for you**. Call **919-828-1113** to schedule a studio tour or project consultation with **Ian Schreier or Dick Hodgin**.
